Cross-Categorical Special Education Teacher
Job Posting

Description
Sparta Area School District is accepting applications for a 1.0 FTE Cross-Categorical Special Education Teacher at Southside Early Learning Center.

Wisconsin teaching certification required: Special Education- Cross Categorical and/or Emotional Behavioral Disability and/or Specific Learning Disability and/or Cognitive Disabilities. Multiple certifications are preferred.

Prefer applicants possessing the following qualifications:

- Experience working within a co-plan/co-serve team of general education and special education teachers to meet the needs of all students
- Prior teaching experience with students with special education needs preferred, but not required
- Experience with autism and EBD programming is preferred
- Experience with Functional Behavior Assessments (FBA) and Behavior Intervention Plans (BIP)
- Certification in CPR, First Aid, and Non-Violent Crisis Intervention or willingness to obtain these certifications is preferred

Position responsibilities:

- Instruction of students with disabilities including team teaching
- Case management for students with disabilities including: creating functional behavior assessments, behavior intervention plans, assessments, creating and implementing Individualized Education Plans, progress monitoring, collaborating with school staff and parents
- Work collaboratively with all school staff to ensure appropriate programming for students with disabilities
