

Herrman Happenings

December

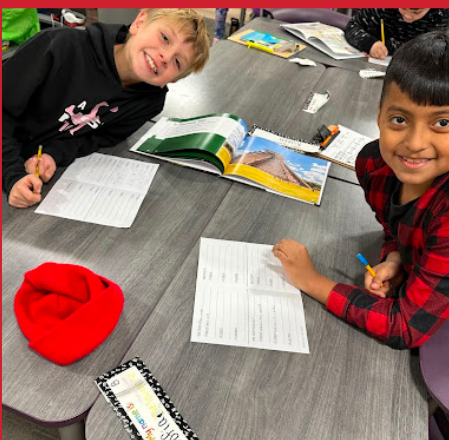

All of the EL students in the building (~90) are working hard to complete the ACCESS test. The ACCESS test is the yearly language proficiency assessment EL students in the state of Wisconsin (among many others) take to monitor their English language growth. It tests students' language in the four language domains: Listening, Reading, Writing, and Speaking

ELL

WIN students enjoyed making Christmas cards to be delivered to our local Nursing Homes this holiday season.

WIN

4th Graders did a nonfiction book tasting to learn about different topics to gain more interest in reading. We explored different books around the room.

Fourth Grade

The students in Mrs. Geier's Class started a new Biography Unit. They started the unit by having a "Book Taste Testing".

Third Grade

Nothing like cuddling up in your jammies with a good book! Students worked hard to meet their reading goals and earn a pajama day in 2nd grade.

Second Grade

First graders have been working so hard to become super Word Detectives in reading. They earned their detective badges and got to have a visit and story with Officer Erickson to celebrate their hard work. *First Grade*
