Map Your House & Bedroom

In this activity, you will construct 2 maps showing the floor plan of your house and a more detailed map of your bedroom. Cartography, the skill of map making, is complex and detail oriented. This project is due on the 2nd day of class. Good luck!

House Map:

- Title
- Outline and rooms of the house
- Drawn to scale (accurate measurements and labels)
- Rooms labeled
- How your room is oriented on the compass rose
- Legend or Key
- Scale Key

Room Map:

- Title
- Outline of your room
- Drawn to scale (accurate measurements and labels)
- Show a minimum of 5 objects in the room and drawn to scale
- How your room is oriented on the compass rose
- Legend or Key
- Scale Key

Make sure to be creative and use color, symbols, etc.

Have fun!
