## SAILS Welcomes Educational Assistant

SAILS said goodbye to Educational Assistant Ms. Amanda Dinger. Amanda is using her drug and alcohol counseling degree to pursue a career with the WI State Prison System. She will be missed dearly and we wish her a lot of luck on her new journey.

We are excited to welcome our new Educational Assistant, Ms. Bender. She has worked in the district since January 2015. She was born and raised on a dairy farm near Norwalk, WI where she built a home in 2013. Ms. Bender has three children and is expecting baby #4 in March.

Ms. Autumn Bender's hobbies include volleyball, gardening, fishing, and snowmobiling.

# CLASSROOM INFO

This trimester we welcomed many new students; also we are excited that many of our students earned all of their credits toward graduation!

We are looking forward to spring, and a fun 3rd trimester!

## Creative Writing Pen Pals

Our Creative Writing students have been writing back and forth with Mrs. Gun's 4th and 5th grade students throughout the trimester. Being "Pen Pals" has given them the practice they need to become better writers as well as making new friends.

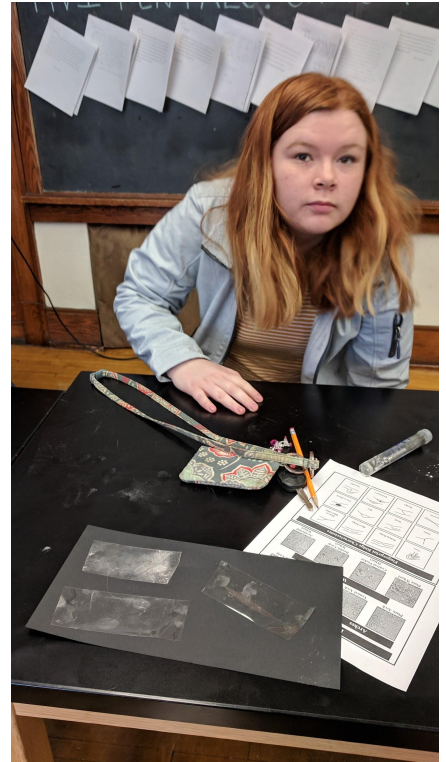

## Student Spotlight -

Noah Taylor joined SAILS this year. He bikes to school and is an active listener in class. Noah states, "this learning environment is great for my style of learning and I look forward to graduating from SAILS."

# CLASSROOM INFO

## Forensic Science

Forensic Science students got to experience how the fingerprinting process works!
