

Herrman *Happenings*

February

First Grade EL students have just finished a unit on growing and changing. During this unit we learned about life cycles and changes during a lifespan. Students were able to identify the different features of non-fiction text during a scavenger hunt through several non-fiction books. In addition, they learned about sequence words and how to use them in writing.

Office/EL/Coaches/Interventionists/Kitchen

In Physical Education we are learning something new; Cardio Drumming! We are working on levels, force, and rhythm while getting our heart rates up!

MAPEL

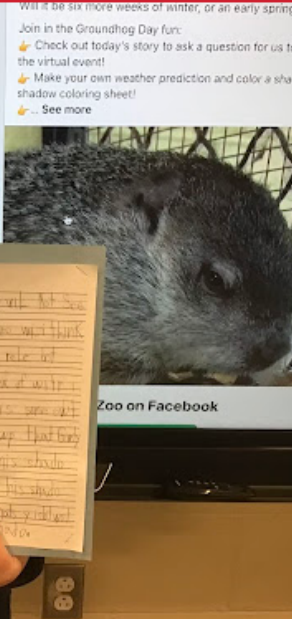

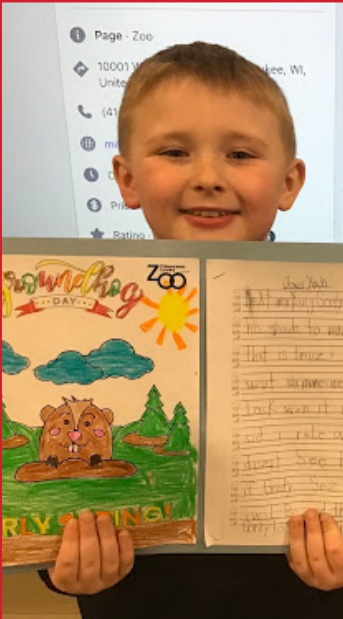

Mrs. Anderson's class celebrated the 100th Day of School by completing the 100th Day of School Math Challenge throughout the day.

Fourth Grade

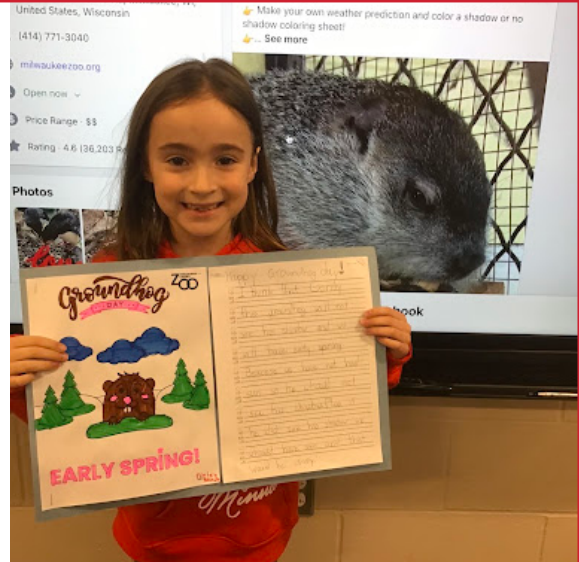

Mrs. Rowan's class competed in "Minute to Win-it" challenges during our friendship party. Students celebrated their persistence and worked together to develop strategies to improve their scores.

Third Grade

Second grade students wrote opinion pieces for Groundhog's Day. They predicted if Gordy the Groundhog at Milwaukee County Zoo would see his shadow or not. Unfortunately, we will have 6 more weeks of winter!

Second Grade

1st graders celebrated Valentine's Day and the 100th Day of School with stations, treats, and a whole lot of fun!

First Grade
