Needs & Wants Collage

Needs and Wants are the basis of economics. Use the website below to make a collage of your needs and wants and make sure to follow the requirements listed below.

http://www.pizap.com/pizap-app.php?initialstate=collage&width=1600&var1=

Requirements:

MEME Top Text- create a title for you project

MEME Bottom Text- your name

Minimum of 3 Needs pictures

Minimum of 3 Wants pictures

Use a minimum of 3 Text Bubbles- use them to further explain why you desire the need or want

Reminders:

Make sure to use appropriate pictures! Any pictures or topics that are inappropriate will require you to recreate the assignment

Google images will be the quickest

Pick a template with a minimum of 6 picture spots- so to have room for 3 Needs and 3 Wants

You can save it or print it when done- no saving when partially finished!

*Print your project and have it ready for the 2nd day of class OR if saving image, choose the download button and save your project in my Inbox found in the Drop Boxes.

Decorate and be creative! Have fun too!
