## Good vs. Evil

1. Read the article “The Real Meaning of ‘Good’ and ‘Evil’” from Newsweek.

<https://www.psychologytoday.com/blog/out-the-darkness/201308/the-real-meaning-good-and-evil>

2. Do a quick google search of good and evil and read 2 or 3 other sites and articles.
3. Write a ½ page summary and a ½ page response to the topic. Ponder and reflect on these main ideas/ themes:

What is Evil?

Is Evil learned?

Is Evil a brain disorder?

What do we do about evil?

What is Good?

Can we all be good and evil?
