

Sparta High School Summer Session: June 18 – July 27, 2018

Session 1: 7:45 to 10:00

Session 2: 10:05 to 12:20

HS Summer Session gives students the opportunity to earn up to 2.0 high school credits in 6 weeks. Attendance for summer session follows requirements set forth by Wisconsin law that credit granting courses should be comparable in time and content to courses offered during the academic year. **Students may only miss five days of summer session; on the sixth missed class, students are withdrawn from the course. Students who are more than 15 minutes late for a class are counted as absent for the class.**

SOECON -- Economics – 1.0 credit, grades 11-12, Session 1 and Session 2

Economics is the study of how individuals and societies make choices about how to use scarce resources to fulfill unlimited need and wants. This course examines both micro and macro-economic themes. Topics include supply and demand, economic systems, labor and management issues, fiscal policy and government spending, monetary policy and the banking system, and measuring the economy. **NOTE: This course is required for graduation.**

SOGOVT–American Government – 1.0 credit, 7:45-10:00 only

This is an introductory course in political science dealing with the federal government system, stressing the relationship of the national government to state and local governments. Subject matter includes the Constitutional basis, the structure of the three branches, political processes, policy making, civil rights and liberties, and some of the problems facing the nation in our contemporary world. Emphasis will be placed on obtaining basic competency of fundamental concepts and their application to daily life. **NOTE: This course is required for graduation.**

SOWGEO – World Geography – Grade 9, 1.0 credit, 7:45-10:00 only

This course provides hands-on activities where students learn how geography impacts society and how the interrelationships of different nations affect our world. Throughout the course, students will have the opportunity to develop a foundation for interpretation of geographical influences that affect the world today and tomorrow. **NOTE: This course is required for graduation.**

#HS1 – Summer Speed and Strength Training – 1.0 elective credit, grades 9-12, over the course of three summers.

Weight Training/Conditioning is for any boy or girl entering grades 6-12 next fall who would like to improve their physical appearance, athletic abilities or self-esteem. Programs are set up to meet individual needs and are properly instructed and supervised with safety and techniques as priorities. Sign in at the High School weight room the first time you attend.

Offered: June 15 – Aug 7: 7-11 a.m. Mon – Friday. 6-9 p.m. Monday and Thursday

Aug. 10-21: 9-11 a.m. only

NOTE: Students who log 18 hours (1000 minutes) each summer over the course of three summers and submit paperwork will earn 1.0 elective credit counted toward graduation.

SSENG – Credit Recovery English – 1.0 credit, grades 10, 11, 12

Focus on closing gaps in your learning by taking this English course. Students will work on improving reading, writing and speaking skills while also meeting learning requirements missed during the school year. **NOTE: This course will satisfy 1.0 credit of English for graduation.**

SSMAT – Credit Recovery Math – 1.0 credit, grades 10, 11, 12

Focus on closing gaps in your learning by taking this Math course. Students will work on improving mathematical skills, knowledge and fluency while also meeting learning requirements missed during the school year. **NOTE: This course will satisfy 1.0 credit of Math for graduation.**
