

Course Outcome Summary

Course Information: **Yearbook**

Description: Create the annual Spartan Yearbook and being a part of your school's history. You will use the principles of design while working with software, scanners, and digital cameras to create page layouts. You will be expected to make individual contributions, work cooperatively as a team at each stage of the process, participate in fundraising, and attend extra-curricular activities when assigned. You should be highly self-motivated, organized, and have the ability to meet deadlines.

Instruction Level: Grade Levels: 11-12 recommended

Total Credits: 1

Prerequisites: Desktop Publishing I

Textbooks: None. Jostens Web-based system

Course Standards:

- Students will communicate and collaborate with others to accomplish tasks and develop solutions to problems and opportunities
