

Nutrislice Menu System

Nutrislice is an interactive menu system that benefits staff and families in the school district in multiple ways. It is very user friendly and has many features that accommodate the needs of families. The language can be easily changed by going to the upper right corner of the webpage and choosing either English or Spanish. Have a certain allergy? Go to the upper right corner again and click the three horizontal lines. With this feature you are able to choose what you are allergic to and it will cross off the menu items that you aren't able to eat.

Icons found in the right hand corner on Nutrislice

Features shown for food items
