

Herrman Happenings

October

Students are exploring Makerspace stations that support the Engineering Design Process.

LMC

On October 19th, students and staff at Herrman celebrated Unity Day. Each student and staff member were given a puzzle piece to decorate with a kind act.

School Counselors

4th Grade students went to the Wisconsin Logging Museum in Eau Claire. They learned about history, logging life, and the changes that happened in our great state.

Fourth Grade

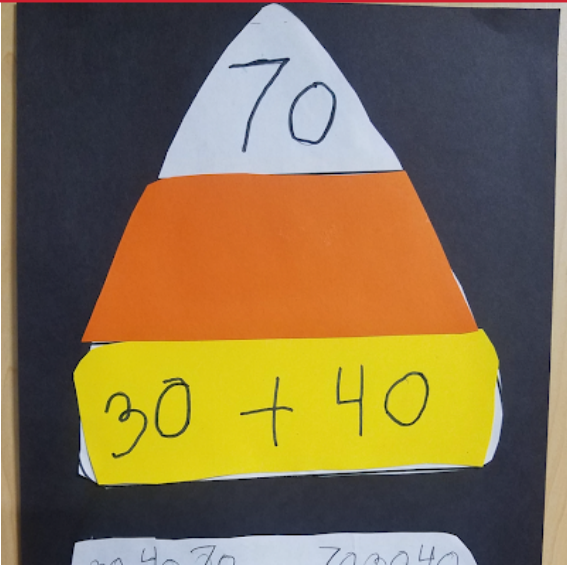

Students are working on retelling fiction stories in Reading this month.

Third Grade

Second grade students learned about fire safety from the Sparta Fire Department.

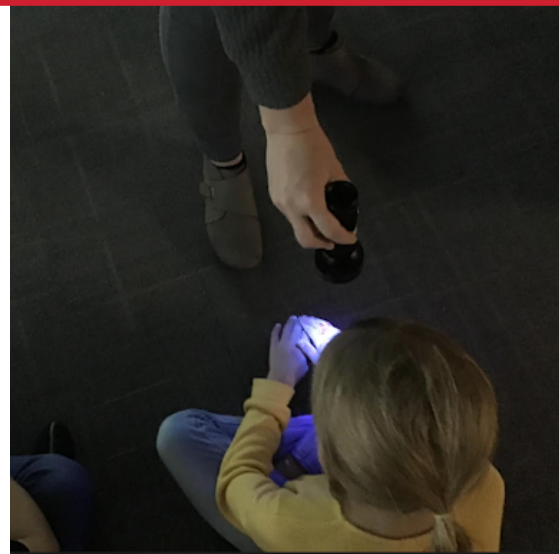

Second grade students in Miss Vetrone's class demonstrated their knowledge of fact families with a candy corn craft.

Second Grade

Students learned about fire safety and proper hand washing.

First Grade
