

Herrman Happenings

November

Students and staff have been participating in a jump rope contest called Jump Rope Ninjas. Everyone tried to see how many jumps they could do without missing.

MAPEL - P.E.

Students in WIN used their imaginations and creative thinking during STEM time to build bridges with toothpicks and marshmallows.

WIN

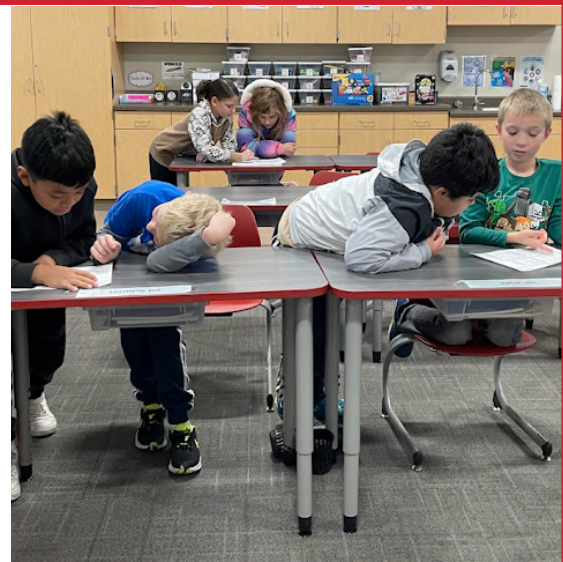

Students in Mrs. Smalley's 4th grade class are working on Native American collaborative posters to display in the neighborhood.

Fourth Grade

Students in Mrs. Miller's 3rd grade class explored with a partner during a Science lesson on animal life cycles.

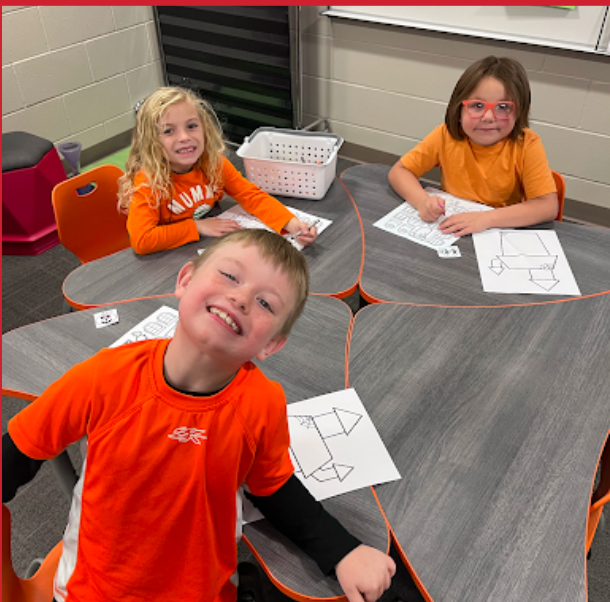

Third Grade

2nd Graders are working to improve their phonics skills.

Second Grade

First Graders worked hard in our fall stations. Each first grade class went to 8 different rooms to participate in fall fun!

First Grade
