Personal Statement

Please attach this to the application and address the following in a typed, one-page (no longer), 12-point font essay. Completeness of ideas, sentence construction, spelling, and neatness are important. What would receiving a scholarship mean to you and why? What qualities and attributes do you have that make you a top candidate for a scholarship? You may also share any extenuating circumstances that may be an obstacle to your education (ex: family situations, personal situations, financial, health) but this is optional.
